COUNCIL PLANS

COUNCIL PLANS \$500 + GST

****Applies to Builders WareHaus patio and carport kits only***

****Plans provided for Brisbane area only***

If you're in a city or suburb your local council will usually want detailed plans with your building application.

Save the hassle and save money with our patio and carport plans.

A draftsman will visit your property to assess the proposed construction site and measure up.

We will then provide professionally drafted plans ready for you to submit to council.

NB: Plans for construction of Builders WareHaus patio & carport kits only - soil tests & engineering not included - council fees and charges not included - any changes or amendments at additional cost.
