

# PRICE LIST 2017

The most popular addition to homes in Australia in the past 10 years has been an addition of an outdoor living space. What formerly may have been just a small patio with a dining table and four chairs has escalated into what many call their "Outdoor Room" with a large patio featuring Insulated Roofing Panels and the must have BBQ. Your outdoor room will become the most popular area in your home for your family and friends to enjoy.

Kool Panels has been supplying South East Queensland with Quality Insulated Roofing Panels at an affordable price for over 10 years. For your Deck, Patio, Shed or Carport - Insulated roofing panels will transform it into something super special and enjoyable, that you can enjoy all year round.

Now is the perfect time to create a relaxing outdoor oasis with Kool Panels Insulated Roofing panels and reward yourself, after all you deserve it!!
