

## ***KOOL PANELS PRICE LIST 2018***

Welcome to "Kool Panels".

Henk Hermans is the founder of Kool Panel and we have been supplying South East Queensland with Quality Insulated Patio Roofing at an affordable price for over 12 years.

Kool Panels are engineered with a FORM 15, and are compliant with building and certifier regulations which offer peace of mind for your house insurance.

Our panels feature Z Lock (Male/ female join) Trim deck style roof and a smooth ceiling. 0.6mm steel and high density foam.

For your Deck, Patio, Shed or Carport - Insulated patio roofing is a cooling solution that will transform your space into something super special and enjoyable, that you can enjoy all year round.

The most popular addition to homes in Australia in the past decade has been an addition of an outdoor living space, or what many call their "Outdoor Room" with a large patio featuring Insulated Roofing Panels and the additional "must have BBQ."

Now is the perfect time to create a cool relaxing outdoor oasis so you can enjoy sipping on ice cold drinks and spend your afternoon relaxing on a sun-drenched patio.

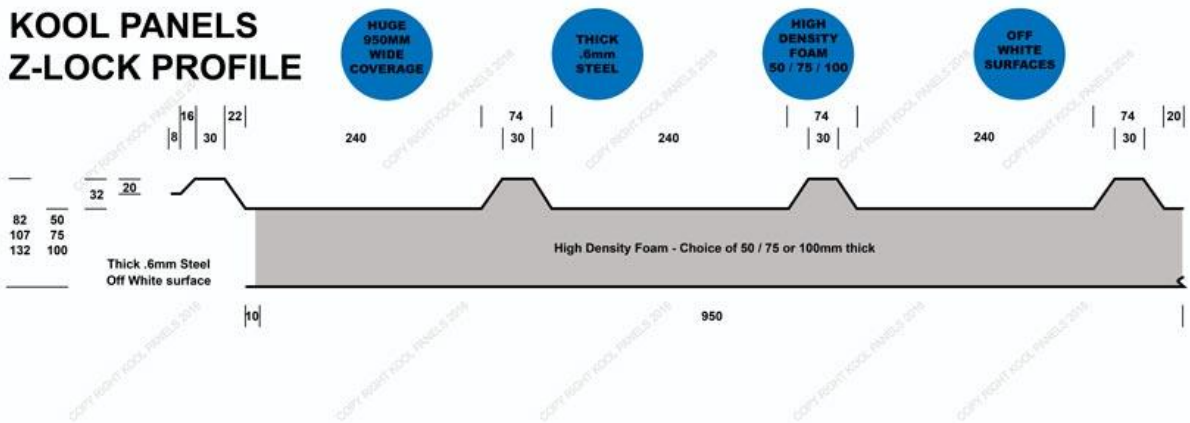

So don't swelter under a hot tin roof, reward yourself with Kool Panels and beat the heat.
